

Number Poem

Number 1 is like a stick.
A straight line that is very quick.

For number 2, go right around.
Then make a line across the ground.

Go right around. What will it be?
Go round again to make a 3.

Down and over and down some more.
That's the way to make a 4.

Go down and around. Then you stop.
Finish the 5 with a line on top.

Make a curve. Then make a loop.
There are no tricks to make a 6.

Across the sky and down from heaven.
That's the way to make a 7.

Make an "S" and then don't wait.
Go up again to make an 8.

Make a loop and then a line.
That's the way to make a 9.

Make a 1 and then a 0.
10 are all your fingers you know!

Number Poem

Straight line down
And then we're done.
That's the way
To make a one.

Around and back
On the railroad track.
Two, two,
Two, two.

Around a tree,
Around a tree.
That's the way
To make a three.

Down and over,
Down once more.
That's the way
To make a four.

Straight line down,
Then around.
Hat on top
And five's a clown.

Stick and a hoop
Do the tricks.
That's the way
To make a six.

Across the sky
And down from heaven.
That's the way
To make a seven.

Make an S
And do not wait.
Go back up
And that's an eight.

A loop and a line
That's a nine.

Straight line down,
Then around with a grin.
That's the way
To make a ten
