Home Learning ideas

<p>Using lego or blocks, can you make towers of different sizes? Which is the tallest? Which is the smallest?</p>	<p>Watch the NSPCC video Pantosaurus. Discuss this with your child.</p>	<p>Look at some photos of baby animals with your child. Talk about the names of the baby animals e.g. lamb for a baby sheep.</p>
<p>Go on a shape hunt around the house. Can you find circles, triangles, squares and rectangles? Talk about each shape, use the name, number of corners and sides.</p>	<p>Read a favourite story. Discuss the story. Draw pictures from the book.</p>	<p>Talk about different times of the day – Morning, Afternoon and Night. Talk about what you do at different times of the day</p>
<p>Go for a walk outside with your child. Look for signs of Spring and discuss them. Photos can be added to EvidenceMe.</p>	<p>In the sink or bath, experiment which objects can float or sink.</p>	<p>Make rainbow toast – put a little food colouring in water, paint this lightly onto a slice of bread and put it in the toaster.</p>
<p>Set a challenge for your child and set a stopwatch on your phone. How quickly can they tidy their toys or match up pairs of socks?</p>	<p>Have a dance party – each family member picks a song to dance to.</p>	<p>Make jelly or ice lollies. Talk about before and after. How has it changed?</p>
