Dear Parents and Carers,

Rockstead Free Trials

As part of our Music offering at Saint Mary's, Rocksteady Music School come in on a weekly basis to deliver band-based music lessons. The children who take part select an instrument of their choosing in their assigned band and learn to play it alongside other band members and instruments. Each term, the bands deliver a concert to the school and parents.

Rocksteady is aimed at children aged 4 – 11 and is therefore open to all year groups from Reception to Year 6. Children are placed in bands based on their instrument preference and age, so most are likely to be put in a band with peers from their year group.

Rocksteady are offering **one free trial lesson per pupil**, so they can join in with an ongoing band for one session. This is a great opportunity to give the children a go at playing an instrument in a band, particularly if they are interested at joining Rocksteady in the future!

If you are interested in your child participating in a free trial session, please let their class teacher know as soon as possible.

Yours faithfully,

Miss Lankester
