Dear Parents and Carers

I am delighted to have been appointed as the new headteacher for Saint Mary's Catholic Primary School, I am very excited to be joining such a vibrant and caring school community and I look forward to getting to know you all well over the coming weeks and months.

I am very passionate about creating an inclusive and high achieving environment where every child is supported to reach their full potential both academically and personally.

From working at Saint Mary's since Easter, it is clear that the school is a wonderful place that has so much to be proud of; a dedicated staff team, enthusiastic pupils and supportive families. My goal is to build on this strong foundation, working closely with all members of the school community to continue developing a culture of high expectations, mutual respect and Christ-centred learning.

I know that a successful and happy school depends on all of us working together. As parents and carers, you make an important contribution to your children's achievements and I'm keen to build on the relationship between you and the school. I am committed to ensuring that communication is open, transparent, and two-way. Your insights and feedback will be invaluable as we move forward together.

I will be available at the school gate before and after school, so please do say hello.

You're also welcome to contact me via the school admin email address.

Thank you for the warm welcome I have already received. I am truly excited about the journey ahead and all that we will accomplish together.
