Dear Parents and Carers

3rd October 2024

YOUNG VOICES CONCERT – CO-OP LIVE ARENA MONDAY 24TH FEBRUARY 2025

As part of the Young Voices choir, your child will be singing at the Co-op Live Arena on Monday 24th February 2025 where Saint Mary's will join choirs from schools across the North West. Our school choir has taken part in this event in previous years and it has always been a fantastic event, thoroughly enjoyed by the children and the parents who watched them in the evening. Please note this event has now changed to the above venue. The concert is from 7pm – 9pm.

Our final numbers have now been booked for the children so they need to commit to attending rehearsals where they are learning the songs and accompanying dance moves that all the children will perform together at the concert.

- **Concert Day/Transport:** On the day of the concert the children will depart school for Co-op Live Arena at approximately 12 noon by coach and spend the afternoon rehearsing for the evening concert.
- Transport home **MUST** be arranged by parents; further details will be sent home nearer the date regarding collection at the end of the concert.
- **Tickets (£24) and Tshirts (£15)** plus transaction fee.
The T shirt is optional but most of the children will wear one. Alternatively a plain white T shirt can be worn or a YV Tshirt from last year.
- **To order your tickets and T shirts:**
Log in to your Young Voices account
>Teacher Centre & Music Room
> Shop > Place and pay for order
>These must be ordered by 31st October to go through to the organisers as a group so you will all be sitting together. After this date, the orders go through the box office at an increased price.
TICKETS ARE NOT REFUNDABLE UNLESS THE EVENT IS CANCELLED BY THE ORGANISERS.
- Please note that parental consent for photography and agreement to arrange collection at the the end of the concert has already been signed via the original T2P electronic form to join Young Voices.
