Edition 11

"I will give you a mouth and wisdom, which none of your adversaries will be able to withstand or contradict."

Luke 21:15

Dear Parents and Carers,

The children were reminded that God is always ready to guide us, especially when we face challenges or feel unsure of what to say or do. We spoke about how wisdom isn't just about being clever ; it's about choosing kindness, speaking truthfully and standing up for what is right - even when it's difficult.

Whole School Flu Vaccine

If you signed your child up for the flu vaccine, this was administered at school on Thursday by the Immunisation nurses. This was in the form of a quick and painless nasal spray in each nostril.

You should have received an email from NHS detailing which vaccine your child received.

Any further queries, please visit the NHS website

We are saddened to share with you that Miss Butterfield has suffered a recent bereavement. At this difficult time, we ask our whole school community to keep her and her family in their prayers. May she feel surrounded by God's comfort and strengthened by the care and compassion of our community. Eternal rest grant unto them, O Lord and let perpetual light shine upon them.

Dear God,
As we move through the week, may we all remember to speak with love, act with integrity and rely on God's wisdom in every situation.
Amen.
